

ICE CREAM MADE BY A NEW PROCESS.

I have an Ice Cream Freezer that will freeze cream instantly. The cream is put into the freezer and comes out instantly, smooth and perfectly frozen. This astonishes people and a crowd will gather to see the freezer in operation and they will all want to try the cream. You can sell cream as fast as it can be made and sell freezers to many of them who would not buy an old style freezer. It is really a curiosity and you can sell from \$5 to \$8 worth of cream and six to twelve freezers every day. This makes a good profit these hard times and is a pleasant employment. J. F. Casey & Co., 1143 St. Charles St., St. Louis, Mo., will send full particulars and information in regard to this new invention on application and will employ good salesmen on salary.

MONEY MADE IN A MINUTE.

I have not made less than \$16.00 any day while selling Centrifugal Ice Cream Freezers. Anyone should make from \$5 to \$8 a day selling cream and from \$7 to \$10 selling freezers, as it is such a wonder, there is always a crowd wanting cream. You can freeze cream elegantly in one minute and that astonishes people so they all want to taste it, and then many of them buy freezers as the cream is smooth and perfectly frozen. Every freezer is guaranteed to freeze cream perfectly in one minute. Any one can sell ice cream and the freezer sells itself. My sister makes from \$10 to \$15 a day. W. H. Baird & Co., 140 S. Highland Ave., Station A., Pittsburg, Pa., will mail you full particulars free, so you can go to work and make lots of money anywhere, as with one freezer you can make a hundred gallons of cream a day, or if you wish, they will hire you on a salary.

A CHANCE TO MAKE MONEY.

I have berries, grapes and peaches, a year old, fresh as when picked. I use the California Cold process, do not heat or seal the fruit, just put it up cold, keeps perfectly fresh, and costs almost nothing; can put up a bushel in ten minutes. Last week I sold directions to over 120 families; anyone will pay a dollar for directions, when they see the beautiful samples of fruit. As they are many people poor like myself, I consider it my duty to give my experience to such, and feel confident anyone can make one or two hundred dollars round home in a few days. I will mail sample of fruit and complete directions, to any of your readers, for eighteen two-cent stamps, which is only the actual cost of the samples, postage, etc., to me.
